# 1 Part 2: Statistical Analysis

Data source: 2020 American National Election Studies (ANES) - 2020 Time Series Study

Research question: Did Democratic voters or Republican voters experience more difficulty voting in the 2020 election?

Define the following: 1. Democratic voters 2. Republican voters 3. Factors contributing to difficulty in voting –> create an index?

Data cleaning and wrangling - Kevin

Form final dataset

EDA and basic information on the variables and proof we can make assumptions needed for tests we will run
